"A MAN WHO"

We are borrowing an article from he Alabama Journal, written by Neal O'Hara, and passing it on to our eaders in case they missed it. We ommend this story to over-enthusiasc persons, to those who take their Leaders of both political parties complain the voters are ignorant of the real issues. This makes it hard for spellbinders to put over their points and perhaps explain the sor throat and need-of-a- rest so sudden ly contracted by Candidates Curtis

Just to give you an idea of issues that campaign orators are up against, the following is an account of a rousg speech in favor of Hoover:

of our foreign relations. In the com ng four years we need a man in the White House with a broad, internaional mind. And so, my friends, le to ask you this candid question: Who s it that can promote friendship and good between the United State nd far-flung alien powers? Who i macy can make the United States be-

"Yes, Lindbergh could do that, lingly admitted the orator of the ning. "But I have another mar eace. Who is it, my friends, who walked and tramped-not flown f Australia and among the rugge nountains of Chili? Who is it, oh fellow citizens, who has mingled wi the people of northern China, wh as roamed among the rough count nen of south Africa, who has ha bay and Calcutta?"

said the orator of the evening, a tri the bitterly, "But we are discussing candidates for the presidency of th United States. When Mr. Coolidge' successful administration comes to a end, we need a man in the White House whose patriotic devotion to the land of his birth shall never waver for an instant. And, my friends, what better man could we elect than the one I have in mind? Who is it that loves his America passionately most unflinching challenge? Who re Elba, Alabama

Went to Pieces "I suffered a long time, before I tried Cardui," says Mrs. Lillie Pruitt, 130 "K" St., Anderson, S. C. "I was badly run-down in health. My nerves 'went to pieces', and I had to go to bed. "I got so bad off, I could not bear to have anybody walk across the floor of my room. The least little thing upset me. Sometimes I became hysterical, I had bad pains in my back and sides, and my head and limbs would take spells of aching, which almost set me wild. "One day I saw where a wo-

man, who had a trouble like my own, had been relieved by Cardui. I decided at once to try it. It began to help me from the very first. I took Cardui regularly, for several months, and my improvement was so remarkable my family and friends were delighted."
Try Cardui for your troubles.
